

Birthday Treat Spirit Sticks!

(Program runs September - June)

Your child's birthday is on the way, you want it to be a special, fun day! The new rule says no food or snacks, please. No one wants a child to itch, cough, or wheeze.

Your child would still like to celebrate, perhaps a small gift for each classmate? So you sit and you think but you are stuck. Well, today's your day, you're in luck!

Here's how it works:

Return the form below before your child's birthday (2 week minimum, please) with \$15 cash or check (checks payable to Brooke Home & School) in an envelope marked "Birthday Sticks". On the date you indicate, your child's teacher will wish your child a 🎵🎶 **Happy Birthday** 🎵🎶 and everyone will receive a free spirit stick to celebrate!*

Any questions, please contact Lynne Lombardo at lynne.lombardo@comcast.net

**Spirit sticks will be pre-chosen based on current supply.*

Please note that kindergarten does not participate in this program.

Please detach & return form with payment to school with your child.
