

Brooke Home & School

Family Contribution and Volunteer Opportunities

2018 – 2019

Brooke Home & School Association works to enhance the elementary school experience of all our students. With an operating budget of approximately \$37,000/year, we need to raise approximately \$96/per student. We rely heavily on parent assistance so that ongoing activities are provided. We understand that some parents do not wish to participate in fundraising opportunities. The Family Contribution option gives families the opportunity to contribute to Brooke Home & School without buying or selling anything. We ask that families consider contributing \$96 per student to the Home & School. These funds allow us to run amazing activities such as the Color Run, Glow Dance, and Fall Festival, while also providing necessary supplies for our teachers and staff each year.

Home & School is also always in need of **volunteers** for our great events and fundraisers! If you would like to receive information for volunteer opportunities as they arise throughout the year, please complete the appropriate section below. As each opportunity/event gets closer, more specifics regarding time commitment and volunteer needs will be communicated via email.

Please fill out the form below and send it to Brooke in an envelope marked "Brooke Home & School." Family contribution payments are accepted by cash, check (made payable to "Brooke Home & School"), PayPal, and online credit card. Online payments can be made at www.brookehs.net. Click on "Online Payments." Please note "Family Contribution" in the "Name of Fundraiser" field before clicking the "Buy Now" button.

Thank you in advance for your support! Volunteers and Family Contributions are always welcome throughout the year.

Sincerely,
Brooke Home & School Board
